GENERAL CONDITIONS FOR THE USE OF THE EXHIBITION AREAS

1 • Duration of the occupancy period
Exhibitors should remove their own structures, equipment and/or products before the end of the period planned for dismantling.
If this is not done, Nice Acropolis reserves the right to evacuate the premises by any means and at the exhibitor's expense and risk, with a possible claim for additional floor space occupancy costs.

2 • Inventory of fixtures - Damage
Exhibitors accept the premises, equipment and materials as provided and note their condition and functional state. They must return them in the same condition and state at the agreed time, having respected the following provisions:

- It is strictly forbidden to fix or hang anything (even a sign) on the ceilings, walls or pillars. If any material or equipment (whether entrusted to the exhibitors free of charge or subject to payment) disappears or is damaged, it must be repaired or replaced by the exhibitor.
- Exhibitors will be charged for any damage they may cause to the floors; they must take all necessary precautions (plastic sheeting, plywood board, etc.) to ensure the protection of the floors in the presence of a risk.

When installing a carpet, use only BARNIER 101 double-sided tape (see "decoration" order form), because of the special composition of our floors.

3 • Signs
The posting of signs within the rented areas is subject to the agreement of Nice Acropolis.

4 • Delivery procedures

Delivery address is:

Nice Acropolis
1 ESPLANADE KENNEDY
06300 NICE
(See plan page 2C1)

To be accepted, the packages delivered by exhibitors must comply with the following conditions:

- Delivery not earlier than 48 hours before the first set-up day
- Each package must be clearly labelled with:
  - Name of the event
  - Company name
  - Stand number
  - Name of the person in charge
- These packages must be removed at the latest within 48 hours after the end of the event.

Nice Acropolis cannot be held liable in case of loss or damage of the packages delivered, or for those not removed by exhibitors.

Unloading of trucks and carrying of packages to (and from) the stand is the responsibility of the exhibitor.

The local approved freight forwarders can help you with this; if necessary, we can provide manpower (see the enclosed "Personnel" order form).

5 • Crate storage - Waste removal

Nice Acropolis does not possess premises for the storage of empty crates and packaging during exhibitions.

They must therefore be removed immediately as the installation progresses and, if necessary, brought back for the dismantling.

Removal of waste packaging (boxes, parcels, etc.) and, in the case of floor space, of the totality of the booth including the carpeting and its adhesif tape, are the responsibility of the exhibitor, who can order different types of containers according to volume (see “Stand cleaning/waste removal” order form).
6 • Cleaning
Nice Acropolis provides cleaning services prior to the opening of an event, as well as daily cleaning of aisles and common areas in the exhibition areas.

The daily cleaning of stands is to be paid for by exhibitors, unless otherwise stated by the exhibition organizer.
(see “Stand cleaning” order form).

7 • Animals
Animals are not permitted on the premises.

B SECURITY - ACCESS CONTROL

Nice Acropolis maintains 24-hour security, every day, for both centers.
Individual surveillance of the stands can be requested by the exhibitors, at their expense (See “Personnel” order form).
Nice Acropolis cannot be held liable for any loss, damage or theft occuring to goods left on the stands.

An identification badge, provided by the organizer, is required to enter both centers.

Nice Acropolis may refuse or expel any person whose behavior or clothing is considered incompatible with the Centers’ image or who refuses to comply with the local safety rules.

C INSURANCE

Exhibitors shall take out insurance to cover third party liability as well as liability towards Nice Acropolis, and for all goods belonging to them or which have been entrusted to them.
These insurance policies must provide for a waiver of claim against Nice Acropolis, the City of Nice and/or their insurers.
Written proof of this insurance cover must be supplied to Nice Acropolis before the opening of the exhibition.
AXA ASSURANCES is at the disposal of exhibitors to provide coverage of the above mentioned risks (see “Exhibitors Insurance” order form).

D TAXES AND DUTY

Exhibitors must pay the various taxes and duty resulting from their participation in the exhibition.
